

All Spa Sanitizing Regimens¹ Should Include Hot Tub SERUM™ Total Maintenance!

Resolve the Chlorine Residual Challenge

- Helps to Prevent biofilm from forming in your spa's plumbing.¹
- Helps Keep you spa water clear & safe regardless of the status of your primary sanitizer.²
- Prevents Calcium scaling.
- Ensures your Salt System performs at peak efficiency.
- Provides a Lifetime Jet Warranty.³
- Ask your salesperson how you can add Serum Total Maintenance to your sanitizing regiment.
