HOT TUB SERUM®

Total Maintenance Instructions For Use In A Hot Spring® Spa With A Freshwater® Salt System:

PLEASE NOTE: We recommend that you start by using HOT TUB SERUM® Total Cleanse before draining and refilling your hot tub and prior to using HOT TUB SERUM® Total Maintenance as its part of a total clean system that will provide superior results. Change your hot tub water every 6 months as part of a healthy hot tub water maintenance routine.

TO MAINTAIN YOUR HOT TUB with Hot Tub Serum Maintenance:

Hot Tub SERUM Liquid Maintenance is an EPA Registered Product 84409-2 Make sure your filter cartridge(s) are installed. Make sure that they are clean or new if starting with Hot Tub SERUM. Refill with fresh water and start your hot tub following the directions in your HOT SPRING® FRESHWATER® Owner's Manual. Balance the water: Total Alkalinity (TA) 100 -120, pH 7.4 -7.6, Calcium Hardness (CA) 25-75.

ALWAYS MAINTAIN THE SANITIZER LEVEL RECOMMENDED IN YOUR HOT SPRING®OWNERS MANUAL!

Use HOT TUB SERUM Maintenance Weekly:

Using Hot Tub SERUM® Total Maintenance product add one (1) ounce per 100 gallons once per week. **Typical Use of a Hot Tub SERUM® Total Maintenance (2 Litre bottle) will last One Quarter (about 13 weeks), based on a typical 350 gallon hot tub which will use three (2 Litre) bottles annually.**

As a Precaution Do a Monthly Water Balance Check:

Check your hot tub water balance monthly at your authorized Hot Spring® / Hot TubSERUM® Dealer.

IMPORTANT USER NOTES

- Add Hot Tub SERUM® Total maintenance product weekly as per the directions (same day every week... do not overdose)
- Maintain sufficient sanitizer in your hot tub at all times. **DO NOT LET SANITIZER RUN OUT!**
- Rinse your filter cartridge(s) weekly with pressurized water to remove organic contaminants

TEST WATER EVERY MONTH at your Serum Authorized Retailer HOT TUB WATERCARE SAFETY (Read the directions carefully)

- ALWAYS add chemicals to water, NEVER add water to the chemicals.
- Do not mix hot tub watercare products together. Add hot tub watercare one at a time. Rinse out and dry the measuring cup before the addition of the next hot tub watercare products.
- Store hot tub watercare products in a cool, dry place. Keep the container closed when not in use
- Keep out of reach of children
- Do not ingest.
- When bottle is empty, discard in trash or offer for recycling.

FIRST AID: If swallowed in undiluted solution, drink large amounts of water. Do not induce vomiting. Avoid alcohol. In case of accident or illness, seek medical attention immediately.
